BOSS!

"Miyamoto" Katsura's "idiot" attempted to dominate D-Block by impersonating Katsura, but with none of his fighting skills. Refer to notes.

It is time for the new to
take over from the past...

New,

begun
to
appear!

The

they have
now all...

So I am the

to run the

Hey that's
right... boss,
you should
have
graduated
too by now!

Why are
you still
in uniform?

I am the
only one
in debt
originally anyway!

Did I
just say
some
thing
wrong?

You
talk
too
much!

I-I
respect
anyway!

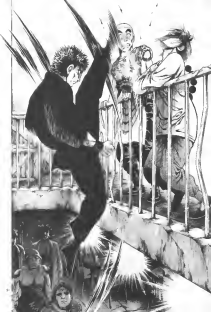

What's bad
about that?
You got to
wear these
sister outfits
for another
whole year!

Remember
to change
up short
hair!

Ah...

B. Boss!

Kotono?

The kick
didn't
hit me...

What's with
the sudden

they come to

ARGH!

*According to reports,
it is an abandoned
part of this large
school.*

*...where students have
taken over, creating
a regime of anarchy.*

*For a people
like the
Japanese long
used to peace,
this is probably
the same as
hell.*

*But for those
who work
outside the
law, this is
Heaven!*

FOOL

What are
you aiming
at, man?

What
the ?

Good I was
careless!
A double
blow?

Didn't expect
him to look
with his left
as well...

IT'S HIS RIGHT?

The foot that
he used to kick
the cap...

He did a
follow up
kick with
it again?

You still
managed
barely...

To avoid
a broken
jaw—
Your reflexes
aren't too
bad!

Because his
legs are short
Shirato's kicks
are those as
fast...

If he didn't
kick the cap
that foot
would've
finished it

Oh dear!
It seems
to be a
bit too big!

Not just
a bit, it's
much too
big!

Benny, surely
wasn't
thinking...

I saw the cap in
the shop, and
thought it would
look great on
Kotono...

I forgot
to think
about the
size!

SHUNT

It's no big
deal if it's
just a little
big!

At the
rate my
head is
growing, it'll
fit soon
enough!

Ow

you at
all the
hospitals!

I am
going to
the hospital
again to-
morrow!

Yes

I'll wait
for you
when I
come back,
OK?

But...
in this
case...

That cap
was never
exchanged...

Because
the
next
day...

My mother
went to the
hospital in
an ambulance...

So
that's
why...

In that case
then there's
no point
watching
any more

Let's have
something
cold to
drink!

Kurumi?

Because
Kotaro,
in his
current
state...

His abilities
have been
boosted by
at least 50%
guaranteed.
Now,
even
I...

can't
handle
his
attack!

HAVE
50% of
fighting in
real life

...are
decided
by fists!

Wow... if
we stamp
boards
Kotaro by
50%
then...

If I
want to
fight a
100%
Kotaro...

Ten-
Koagi!

Why did you...

have to go so early
to a place beyond our reach?
